ICDT6004 – Web Technologies

Labsheet 3 – Layouts and Templates

Question 1

- Try all the sample codes that have been discussed in class.

Question 2

- Browse the <http://www.quackit.com> website and look for an appropriate template for your web assignment.
- Download the template and modify it as explained in class to create the home page of your website.
- You should also create the contact us page.
- After completing the next class on forms, you can implement the registration and login pages of your website.
